

THE CORPORATE CONNECTION AFTER HOURS | INFORMATION AND POLICIES

| | |
|---|---|
| Event | The Corporate Connection After Hours, Fall 2017 |
| Date and Time | Monday, September 11, 2017, 4-7 pm |
| Location | Department of Computer Science 201 N. Goodwin Ave., Urbana, IL 61801 |
| Priority Registration Opens | Monday, April 10, 2017 <i>Early registration is for Corporate Connection sponsors only. To see if your company is a sponsor visit http://corporateconnection.ece.illinois.edu/partners.html.</i> |
| Startup Registration Opens | Monday, June 12, 2017 <i>Remaining spots will be made available to Corporate Connection Startup sponsors. Those who are interested in attending but do not receive a spot will be kept on a wait list.</i> |
| Payment Due Date | Monday, August 14, 2017 <i>If we have not received your payment by this date, you may lose your space to a company on the wait list. If you register after this date (space permitting), you must pay with a credit card at the time of registration.</i> |
| Cancellation Deadline for Refund | Monday, August 14, 2017 <i>Companies who cancel after this date will forfeit their payment in full. A full refund will be paid if the event is cancelled due to inclement weather.</i> |
| Fee | Free for members of The Corporate Connection; \$400 for Startup sponsors. |

The Corporate Connection After Hours is for University of Illinois at Urbana-Champaign students in the Department of Computer Science and Department of Electrical and Computer Engineering ONLY.

Event Format

This is an exclusive event for CS and ECE students only and is designed to be a more personal and intimate version of a career fair. Traditional booths/tables will not be provided. Instead, students and employers will mingle in a more relaxed atmosphere to encourage casual conversation and relationship building, with less emphasis on resume dropping. Stand-up tables will be interspersed within the event space. Company representatives will be identified.

Students will receive invitations and will be asked to register for the event to establish a sense of exclusivity and promote attendance. Name tags will be given to students at the registration table. Students who do not register in advance will be able to check in and receive a printed name tag. Students who have not registered will not be turned away.

The total potential audience for the event includes more than 4,000 CS and ECE undergraduates, MS candidates, and PhD candidates. Attendance is typically 800+ students. Company check in begins at **3:30** pm in the Siebel Center lobby. Snacks and beverages will be provided for company participants and student attendees.

ECS Career Fair

Although not required, companies are encouraged to also participate in the ECS (Engineering Career Services) Career Fair on September 12-13, 2017. **You must register separately for the ECS Career Fair and can do so at <http://engineering.illinois.edu/corporations/career-fairs>. We cannot guarantee the availability of space for this event.**

Parking

We recommend parking at the meters on Mathews between Springfield and University or at the visitor meters located in the University Avenue parking deck. All metered parking is \$1 per hour. **We are unable to cover the cost of any parking tickets you receive while on campus.**

Shipping

If you wish to ship materials in advance of the event, please send them to the address below. Again, please note that there is limited table space, so table-top displays are not appropriate.
